

Day Trip: Musical Instrument Museum

On Friday, January 26th, we will visit the Musical Instrument Museum. According to Trip Advisor, the museum is one of the top twenty museums in the United States; and it is the #1 attraction in Phoenix.

The museum focuses on the music and instruments in 5 major world regions: Africa/Mid-East; Asia/Oceania; Europe; Latin America; US/Canada.

To make the most of our tour, we will take advantage of Café Allegro, located in the museum, for lunch. When visiting the museum website, check out the Café menu.
