

Triple Play Tournament

Been a While? Beginner? ~ Don't be Intimidated

This is like a golf scramble. You will be randomly paired with a different partner for each of 4 hands.

Fast/slow, decisive/indecisive, lucky today/unlucky today, beginner/old hand. Luck of the draw.

This is not a tournament for players who are so competitive they can't be gracious.

Learning Sessions Monday, Jan 10 & 17

If You have played, but not recently or enough to be confident, or if you play a different version of hand & foot, join us at a learning session. To be included, arrive by 11:15 and ready to play at 11:30.

If you sign up in advance we can be better prepared.

You Don't Keep Score

Other volunteers and I do. You simply check off which required, bonus and extra books you completed and total your card count. That's it. We do the rest.

Consider Volunteering to Help – You Still Get to Play!

To run smoothly, all events need help. A (overly) detailed description is on the counter. I structured help based on a much larger tournament. The reality will be much simpler.

Triple Play Tournament

Wednesday, Jan 19, 11:00 Player numbers assigned, 11:30 Play begins

While you may sign up the day of the tournament.

We can only guarantee a foursome to those who signed up in advance.
